BIGGEST DEAL EVER CONSUMMATED IN THE DESDEMONIA OIL FIELD

This company will begin drilling at once in the biggest oil center in Texas. We now own leases on 180 1-2 acres in this field. Operation will be started at once on sight selected by Mr. A. C. McCaughn and Mr. A. C. Erwin, the latter an experienced oil operator from Tulsa, Okla. This location is at rear of the bank in **DESDEMONIA**.

625 feet north the Royal Duke well is producing 500 barrels daily.
900 feet west the Union Oil & Refining Co. well is producing 1,500 barrels daily.
800 feet south the Terrell No. 2 well is producing 3,000 barrels daily.

650 feet south the Daniels well is producing 2,000 barrels daily.
1050 feet east of the Humble No. 1 well is producing 8,500 barrels daily.
1400 feet southeast the Warner Wagner well is producing 5,500 barrels daily.

Besides these mentioned there are a number of others. From 625 feet to 1,400 feet from our drilling site in every direction the production is over 21,000 barrels daily or an income of \$85,000 daily.

IT SEEMS IMPOSSIBLE FOR US TO MISS PRODUCTION ON THIS LOCATION

THIS SHOULD BE ENCOURAGING NEWS TO OUR STOCK HOLDERS AS ALL WILL SHARE ALIKE
